# Creative Media Designer

A fantastic opportunity has arisen for a talented student multimedia designer to join our growing Creative Media Team.

You will be working alongside our creative developers to produce award-winning elearning, video and interactive multimedia applications.

## Who are we looking for?

We are looking for someone with experience designing useful and innovative interactions and web content. Experience in video editing and motion graphics production is also necessary. You should have a keen eye for beautiful design, eye-catching composition and engaging user experience.

You should be eager to learn new tools, techniques and technologies, which our experienced creative media designers and developers will help to train you in.

You must have excellent interpersonal and communication skills, and work well within a team of creative people. It's essential that you are able to work under pressure and manage workloads effectively, in addition to being highly self-motivated and well organised.

## Experience

Experience of working with the Adobe Creative Suite of tools is essential.

**Experience with the following is required:**

- Design software, particularly Adobe Photoshop and Illustrator.
- Video editing software, particularly Adobe After Effects, Premiere and Audition.

**Not essential but highly regarded skills:**

- 3D design and animation software, particularly Cinema 4D.
- Filming and/or photography experience.

## Working location

Due to the training and support required during a placement year, it is necessary for placement students to have a permanent office presence at our beautiful office in Harewood.

We are a friendly and sociable team who are looking forward to meeting any new starters face to face.

## Information

**Location**: Harewood House Estate Leeds, West Yorkshire.

**Salary**: £20,000.

**Hours**: 36 per week.

**Qualifications**: Applicants for this role will be judged predominantly on their portfolio, over their CV and qualifications.

Ideally, candidates should have access to their own transport, due to limited public transport to the Harewood Estate.

## Job perks

Great working conditions, with a friendly, inventive and fun atmosphere.

Company socials, meals and events.

Training and skill development.
